

BfB Double Sided Flannel Blanket

This precious little blanket should have a finished size of roughly 12" (+/-1" in length and width is acceptable).

Cut flannel into 13" squares.

Lay two pieces of flannel together, right sides facing each other.

Sew a straight line around edges with $\frac{1}{2}$ " seam allowance, leave a 2" gap in seam.

Cut seam allowance off at each corner.

Turn the blanket right-side out.

Sew a top stitch seam $\frac{1}{4}$ " from edges. You can choose a decorative stitch here.
