

BfB Crochet Edge Fleece Blanket

This precious little blanket should have a finished size of roughly 12" (+/-1" in length and width is acceptable).

Size I (5.5 mm) crochet hook
Medium weight yarn
Fleece
Perforating rotary blade/cutter

Cut fleece into 10.5" squares.
Use perforating rotary cutter to put holes in fleece $\frac{1}{2}$ " from edge.
Row 1: Single crochet through each hole (fabric folds in half in each SC). 3 SC in each corner hole.
Row 2: Double crochet in each SC. 2 DC in corner SC stitches.
Slip stitch to close off looped row.
Weave in ends.

*These can also be made with varying crochet stitches, scalloped edges, etc.
